Phillip, I have had an initial conversation with EPA about this. But need to talk to others at EPA. Hope that I or EPA will be able to respond late today or Thurs. am to the City. Nat

Mr. Cargas:

The EPA Attorney associated with this site is Amy Salinas. Her contact information is salinas.amy@epa.gov and her number is 214.665.8063. I would appreciate it if you could get in touch with her as she is in the office today and tomorrow.

The sooner you two can talk the more quickly we can resolve any issues so that we are not delayed in performing the cleanup activities on the site.

Thanks

Gary Moore
